CLI Phone Hardware Options

The following equipment allows your representatives to be on the phone at the same time with your Limited English Proficiency clients. In an office setting, this hardware provides a welcome alternative to speakerphone. It also allows those who travel into the homes of Limited English Proficiency clients to have joint conversations with our interpreters.

D2200 Dual Handset Phones

These dual handset phones can be used as a standard phone or as a convenient dual handset phone perfect for telephone interpreting. They are completely programmable to allow for one-touch dialing directly to CLI. These phones are purchased directly, so there is no monthly lease fee. Pricing is as follows:

Pricing

Retail cost: Phone \$99.00 ea.

Contact CLI for bulk discounts.

Dual Handsets & Splitters

These splitters, handsets, and cords can easily be attached to any standard telephone. They make virtually any standard telephone into a dual handset phone that can be used for telephone interpreting. Pricing for this equipment is as follows:

Pricing

Retail cost: Handset \$12.00 ea.
 Splitter \$7.50 ea.
 12' cord \$3.50 ea.
